## INTRODUCTION

This Pharmacy Programs Administrator Portal User Guide provides a step by step process for the Dose Administration Aids (DAA) Program. It describes the following processes:

- DAA Program Registration
- DAA Service Claim
- Viewing your current DAA cap

You can continue to use an Excel spreadsheet to record your DAA Services if you wish and copy and paste these into the Portal DAA claiming page. You may wish to view the DAA Claim Tutorial Video [here](#) for further instructions.

For best performance, we recommend the most recent version of the **Chrome** browser is used. Whilst you can successfully submit your registration and make claims using other browsers, they may not have all the features required to provide you with the best user experience.

If you require further assistance with using the Pharmacy Programs Administrator Portal, please do not hesitate to contact the Pharmacy Programs Administrator Support Centre on 1800 951 285 or email [support@ppaonline.com.au](mailto:support@ppaonline.com.au).
