PHARMACY PROGRAMS ADMINISTRATOR PORTAL USER GUIDE – DOSE ADMINISTRATION AIDS

INTRODUCTION.....	1
IDAA PROGRAM REGISTRATION.....	2
IDAA SERVICE CLAIM	4

INTRODUCTION

This Pharmacy Programs Administrator Portal User Guide provides a step-by-step process for the Indigenous Dose Administration Aids (IDAA) Program. It describes the following processes:

- IDAA Program Registration
- IDAA Service Claim

You can use an Excel spreadsheet to record multiple IDAA Services if you wish and copy and paste these into the Portal IDAA claiming page. More information can be found under the IDAA Service Claim section.

For best performance, we recommend the most recent version of the **Google Chrome** browser is used. Whilst you can successfully submit your registration and make claims using other browsers, they may not have all the features required to provide you with the best user experience.

If you require further assistance with using the Pharmacy Programs Administrator Portal, please do not hesitate to contact the Pharmacy Programs Administrator Support Centre on 1800 951 285 or email support@ppaonline.com.au.
